Laughter Ministry

Kevin was not an ideal child. He managed to get into mischief frequently, and was always trailed by his younger brother, Ken. Finally, at her wits' end, his long-suffering mother took him to see their minister. The minister decided to focus Kevin's mind on higher levels.

"Kevin," he asked with great seriousness, "where is God?"

Kevin gave no reply.

"Kevin, where is God?"

Again there was silence.

For a third time the minister asked the question, and this time Kevin bolted out of the office and ran all the way home. He burst into his brother's room.

"Ken," he panted breathlessly, "The minister can't find God and he thinks we had something to do with it!"
